WORK EXPERIENCE

Unified Mentor Private Limited

Full Stack Web Developer Intern

Aug 2024 - Sep 2024

- Developed responsive web apps (HTML, CSS, JS) to improve user engagement by 25%.
- Integrated APIs, reducing page load time by 30%, enhancing overall performance.
- Collaborated on troubleshooting and optimizations, achieving 99.9% uptime.

EDUCATION

Savitribai Phule Pune University

Bachelor of Engineering(IT) - 8.01

June 2018 - June 2022

PROJECT

Personal Portfolio Website [🔗](#)

Created a responsive portfolio website using HTML, CSS, and JavaScript to showcase my projects and skills with an engaging UI and animated progress bars.

To-Do List Web App [🔗](#)

Developed a responsive To-Do List application using HTML, CSS, and JavaScript, allowing users to manage tasks with add, edit, delete, and filter functions, along with local storage and a theme switcher.

Email Administration Application [🔗](#)

Developed a Java-based application for managing employee email accounts, including email address generation, mailbox capacity settings, and password management using OOP principles.

Simple Bank Application [🔗](#)

Created a console-based Java banking application with basic operations like deposits, withdrawals, account balance tracking, and interest calculations, applying OOP principles and input validation.

Student Database Application [🔗](#)

Designed a Java application for student enrollment, course registration, and payment tracking, utilizing core Java concepts and OOP to ensure seamless data management.
